Networking with "*Wonder*"

We cordially invite all participants of the GCSB to the interactive networking platform *wonder.me*. The platform is accessible during the whole conference.

- ✓ Leave other applications with video camera (Zoom, teams etc.) before you go to wonder.
- ✓ Move around with your Avatar, click and hold where you want to go. Do not drag.
- ✓ Join or start a conversation simply by getting closer to others.
- ✓ Hover over a name in the list of participants to see where the person is you are looking for, and then his or her Avatar lights up.
- ✓ Besides video or text chat you can also share your screen with the people in your 'circle' (max. 15 persons per circle).

Name yourself in *Wonder* as following:
Family Name_First Name_Company Short Name.

Browser Recommendation
Wonder works best with **Chrome, Edge or Firefox**. Safari or Opera are unfortunately not supported.
You do not need to download or install any application.
